# DELIVERING QUALITY & EXCELLENCE

## THE DEFINERS & ISO CERTIFIED

**'If it needs to be done, it has to be done'**, this quote has been & will always be our daily mantra and work principle. Seeking to ensure the standards of our delivery becomes a benchmark in the event management industry, our team of dedicated professionals would walk the extra mile to achieve the perfect delivery and to ensure the success of every project undertaken. This strong and dedicated belief inculcated among our 'Definers' can be witnessed with the number of renown clients that have been with us for more than 10 years and counting.

In our pursuit to ensure the utmost highest standard of delivery and practice is displayed all the time, Define International embarked on a long and strenuous effort of achieving the esteemed ISO 9001/2008 status. We are proud to announce that as of early 2014, we have achieved the status of a professional ISO delivery organization with outstanding success. Today, Define International Sdn. Bhd. is among a handful if not the only UKAS fully certified ISO 9001/2008 status company in the event industry in Malaysia.

## PRESIDENT OBAMA VISIT CERTIFICATE OF APPRECIATION

The the outstanding manner and professionalism delivered for the milestone event for the President of the United States of America, Define International & Mr. Andrew Anthony was awarded with the highest accolade & appreciations from the White House Agency. This truly one of a kind event which required detailing and precise planning which is second to none, will always be a proud milestone in the Defines Legacy.

TOP 10's PICK

Andrew Anthony, Founder of Define International Sdn Bhd

DEFINE INTERNATIONAL SDN BHD

Andrew Anthony, the founder of Define International Sdn Bhd, has over 3,000 clients to his name. The company has won numerous awards including being an ISO Certified Company and having UKAS ISO 9001/2008 status. It covers events such as annual dinners, conferences and exhibitions, family days and carnivals, festive events, treasure hunts, team buildings, sporting events, roadshows and gala dinners. Among other milestones achieved were the TOU CH Campaign, IMAX Cinema Launch in Penang, Activating Google UICH 2014 Kuala Lumpur, MInergy Ship Launching and IMAX Cinema Launch at Sunway.

## TOP 10 MALAYSIA

With the numerous awards won & presented together with the admirable repertoire of having over 3000 renowned clients over 2 decades, Define was selected as the country's Top 10 most successful and recognized Event Consultation & Management Company. It's a well deserving recognition to our true pillars of delivery, the Definers!

# RECOGNITION BEYOND BORDERS

# MARKING & STAMPING IT RIGHT!

## OFFICIALLY TRADE MARKED

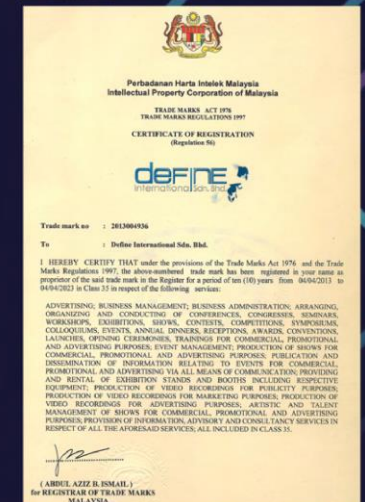

In our pursuit of perfection and to ensure our work & our clients interest are always well protected, we embarked on another long & tedious process of officially trademarking our brand & creative work.

In 2016, we officially secured our trademark with much pride and accomplishment. Another proud milestone in the Define's legacy and journey to live up to our principals and passion.

Through this certification, we can now ensure and showcase the fact that we take our clients interest and work with the highest regards and honor. We have gone the extra mile and beyond to ensure all interest are well protected as we embark in perfecting our delivery and work continuously.

We must say, we couldn't have achieved it without the admirable support from our clients who are now our dear friends too.

Thank you.

*A Fruitful Clientele*  
Clients we had the pleasure of working with...

# ACTIVATE BEYOND BORDERS

## OVERSEAS & OUTBOUND ENGAGEMENTS

Upon being accredited with international status, Define International travelled across Asia to conduct and manage events. With our excellent relationship with suppliers & production companies abroad, we ensure not only the event's success, but also cost savings for our client. Thus, your organization would not be swimming upstream whenever your event travels abroad or into Malaysia.
